

PRICING GUIDE

COMPANY OVERVIEW

Metro Design Build Group is a full-service design-build firm dedicated to creating spaces that seamlessly blend beauty, functionality, and value. We focus on delivering premium craftsmanship, hands-on service, and transparent communication, while keeping overhead costs low, so our clients can enjoy premium quality without premium price tags.

Integrity & Honesty

We believe in doing the right thing, even when no one's looking. From transparent pricing to reliable timelines, you'll never be left guessing.

Craftsmanship & Quality

Our experienced team and trusted trade partners deliver exacting workmanship that stands the test of time.

Dedicated Project Oversight

Each job is assigned both a Project Manager (big-picture coordination) and a Lead Carpenter (day-to-day on-site supervisor). This ensures thorough oversight and efficient problem-solving.

Low Overhead, High Value

Our intentionally lean structure means our clients get top-tier service without paying big-firm markups.

Personalized Approach

We understand your lifestyle, your vision, your budget, and the functional needs of your home. We partner with you to curate solutions tailored specifically to you and your family.

THE MDBG PROCESS

Consultation & Site Visit

Once you've reviewed this packet and our process feels like a fit, our next step is scheduling a complimentary call followed by a site visit to understand your vision in person.

Scope & Proposal

We provide a transparent scope of work, preliminary design ideas, and an initial estimate.

Detailed Planning

We finalize drawings, select finishes, and create a detailed schedule—ensuring you stay informed every step of the way.

Construction & Project Management

Your dedicated Project Manager and Lead Carpenter oversee all aspects—trade partner coordination, site inspections, and daily progress updates. You have access to an MDBG employee daily.

Completion & Beyond

After a final walk-through, we'll make sure you're fully satisfied. We stand behind our work and remain just a phone call away for any post-project support.

“I thank my lucky stars we went with George and his team. They made the entire basement remodel experience so smooth and easy. They managed the project like pros, pulled us in when necessary, and were flexible with changes. We could not be happier with the finished product!”
